

## **Hotel for the USGS Tsunami Workshop**

Steve Kirby has chosen the Holiday Inn Express in nearby Redwood City (2234 El Camino Real, Redwood City, CA 94061, cross Street 5th Avenue; Ph: 650/366-2000) that is about 2.5 miles from the USGS campus and has rates (\$79/night for one bed, \$85 for two beds) that are also within the limit for Government reimbursement for this area (\$87/night). Steve has arranged to temporarily block reserve 15 rooms for Friday, 21 April and 6 rooms for Saturday 22 April at this motel.

This single location is also best for us because it will simplify transportation to and from the meeting. For those that elect to stay there, **YOU MUST CALL THE HOTEL AND MAKE YOUR FINAL RESERVATION BY GIVING THEM A CREDIT CARD GUARANTEE BY APRIL 7th** (1-650-366-2000, 1-800-Holiday, or <mailto:VHP@everdream.com>); the group "last" name is "USGS/Workshop" and confirmation numbers are 61294042 for Apr 21 and 22 and 60406715 for April 21 only. Also, you may want to share a room to reduce costs, but we will leave it to you to self organize that. The rates are the same for two people as those given above.

You are free of course to book a room at another hotel, but you are on your own as far as getting to and from the Workshop. In any event, we urge you to **MAKE YOUR RESERVATIONS NOW**, as rooms often are unavailable in this area on short notice in the springtime.
